EXPERIENCE

KARTEXA | UI/UX DESIGNER INTERN

July – Sep 2023 | Figma, Photoshop

- Proficiently utilized Adobe XD and Figma to create **interactive prototypes**, facilitating thorough user testing. Actively iterated designs based on usability testing outcomes and stakeholder input.
- Collaborated closely with teams, including developers and product managers, ensuring alignment with project goals. Engaged in design sprints and feedback loops to **meet project timelines**.

TRINETRA MEDIA | GRAPHIC DESIGNER INTERN

July – Aug 2023 | Photoshop, Canva, Figma

- Crafted compelling visual elements, including posters and website design elements, aligning with the **company's branding strategy**. Developed creative solutions that effectively communicated marketing and advertising messages to the audience.
- Designed diverse marketing collateral, spanning digital and print materials, to **enhance brand visibility**.

YOUTH INDIA FOUNDATION | GRAPHIC DESIGNER INTERN

June – Oct 2023 | Photoshop, Canva, Figma

- Developed impactful posters to raise awareness about new technologies and global events. Created designs to effectively communicate complex information and engage the audience.
- Designed a variety of materials, including **posters, cards, and presentations**, contributing to the foundation's communication strategy.

PROJECTS

MOBILE APPLICATION | APP FOR WOOL SECTOR IN INDIA

Figma, Photoshop, Canva, Illustrator

- Designed a user-friendly app using Figma to address challenges in the Indian wool sector. The app aimed to empower people in **rural areas** by providing a seamless platform for **buying and selling wool**.
- Applied a **user-centric design** approach to ensure the app's usability and accessibility for individuals in rural areas.

WEB APPLICATION | FOOD ORDERING WEBSITE

Figma, React JS, CSS, MySQL

- Crafted an intuitive user interface for a food ordering website using Figma, allowing users to easily **select and order their preferred food items**.
- Developed a responsive React front-end and integrated MySQL on the back-end, enabling users to seamlessly select and order food through the website.

SOCIAL MEDIA APP | SHARE PHOTOS AND VIDEO ONLINE

Figma, React JS, CSS, MySQL, Spring Boot, Postman

- Developed a social media website enabling users to share videos and photos online, incorporating familiar functionalities like Instagram.
- Implemented features for user reactions, allowing individuals to **express their responses** to shared content, fostering interactive engagement.

EDUCATION

SRI KRISHNA COLLEGE OF TECHNOLOGY

BACHELOR OF SCIENCE IN
COMPUTER SCIENCE

2021 - 2025

Cum. GPA: 7.6

R.G.M HR SEC SCHOOL

HSC, SSLC | 2017-2021

Percentage in HSC, SSLC : 77.4 / 86.31

SKILLS

PROGRAMMING

Java • C++ • Python

C • React JS • HTML • CSS

TECHNOLOGY / TOOLS

Figma • Adobe XD • Github

Photoshop • Illustrator • MySQL

AWS • Wordpress • Premiere pro

NON-TECHNICAL SKILLS

Photography • Photo/Video Editing

Creativity • Communication

CERTIFICATES

GUINNESS WORLD RECORD

Yogasanam

TECHNICAL

Front End Development

UI / UX Designing

React JS

Python for Machine Learning

Graphic Design with Photoshop

AWS For Beginners

Cloud Computing in NPTEL

LEADERSHIP

- Founder of a startup **Mittiq**

- Designing lead in **Google Developer Student Club SKCT**

- Graphic Designer in **Sri Krishna College of Technology**
